

MEDICAL CARE OF CAMP RESIDENTS  
(San Gabriel Valley and San Fernando Valley camps)

1. Sick Call: Tuesdays, 7:30-8:00 a.m.; Fridays, 7:30-8:00 a.m.
2. In interval, apply
  - (a) First-Aid by Camp Manager, as judgment dictates, if minor, and according to First-Aid booklet in safety kit.
  - (b) If in doubt call ANGelus 1-4166, day or nite, for instructions from the doctor. Always give camp name and phone number.
3. In case of immediate emergency: unconscious, bleeding profusely, severe accident, poisoning, high fever, call or take to the nearest Emergency Hospital...
4. In case hospitalization advised by any doctor, even by phone or be nearest emergency doctor and patient can be transported by car, take to French Hospital, 531 College St., Los Angeles, Calif.. Take Clinic Card for identification. If ambulance needed and patient can be transported, call Los Angeles ANGelus 1-4166 and request one...
5. In case urgent hospitalization advised by any doctor, do so at nearest hospital in area and order emergency doctor to continue treatment. Notify ANGelus 1-4166 of case, name of hospital, address, and etc. as soon as possible...
6. For any other medical information, advice, etc. call ANGelus 1-4166 day or nite, and ask for Doctor F. Bravo if he is on duty, otherwise, ask for the doctor on duty.
7. Always identify your camp by name, and give phone number. If doctor care is needed outside sick-call hours, and patient can be transported in car, take to the Bravo Clinic... Hours 10-7 daily, including Sundays.
